AER is the Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. Gross is the contractual rate of interest payable before the deduction of income tax at the rate specified by law. Net is the rate of interest which would be payable after allowing for deduction of income tax at the specified rate.

We will give you at least 14 days notice before we take any Overdraft fees or interest out of your account. Interest rates and fees are detailed as at the date of this statement.
